

# EXPLORA FOR KIDS

QUICK GUIDE

Explora is an easy to use research database for children K-12

## 2 PLATFORMS

Explora Primary → Perfect for grades K-5

&

Explora Secondary → Perfect for grades 6-12

Both platforms are laid out the same

### SEARCH THREE DIFFERENT WAYS!

- 1 Type a word or phrase into the search bar at the top of the page
- 2 Click one one of the pictures on the home screen
- 3 Choose your topic from an alphabetical listing of subjects

Through Explora, students have access to thousands of popular magazines, newspapers, and research articles.

Plus, Explora has encyclopedia entries written for children as well as educational films.

### Students can easily

- Sort
- prioritize &
- streamline search results

- download
- print
- save and
- create citations

Filters can limit results by source, full text, peer-reviewed, publication date, and reading ability.
